INTERNSHIP

Cyvents Technologies Private Limited   2024
Python & odoo erp developer

Completed a Python internship, gaining in-depth knowledge of Pyhon programming and related technologies. A key highlight of the internship was learning to develop Python-based models and scripts, exploring Python frameworks, and enhancing debugging skills. Additionally the internship provided valuable exposure to a professional work environment and strengthened my understanding of software development practices and company culture.

PROJECTS

2024

Contact Management App

Technoligies used :html,css,bootrsp,,django

Cloning Website of SCOPE INDIA

- Replicated the SCOPE INDIA website using React.js, HTML, CSS,
- and Bootstrap.
